This week we are starting a series of lessons about Joseph. He was born at the time of the egyptian Pharoahs, (what have you learnt at school about the Egyptians?) about 1600 years before Jesus was born. He was the favourite son of Jacob and had 11 brothers who were very jealous of him. Today we will learn about him and his brothers and how he annoyed them by telling them of 2 special dreams he had: 11 sheaves of wheat/sun, moon and 11 stars

**Video:** [Story of Joseph](#) (beginning to 5:14, when Jacob says 'I don't want to hear anything more about dreams)
