PENTECOST
One of the things the Holy Spirit does is help us to pray. Use this space to write a prayer. You can ask the Holy Spirit to help you!
When Jesus went back to heaven, he told the disciples to wait for the Holy Spirit to come and give them power. Sometimes Holy Spirit power feels like being given special powers like superheroes have.

Draw or write the name of your favourite superhero.

Behaving well is something that is very important to God. The Holy Spirit helps us to be better people by changing us from the inside out. We call that the fruit of the Holy Spirit.

Look up Galatians 5:22 and write the list of 9 fruits of the Spirit in the apples below:
They didn’t understand what that meant, but they waited together to see what would happen. While they waited, they chose another disciple to replace Judas Iscariot who had betrayed Jesus. His name was Matthias.

Unscramble the names of the other 11 disciples.

When we decide to follow Jesus, he gives us the Holy Spirit to enable us to live our lives well and to help us to tell others about him. Sometimes the Holy Spirit gives us special gifts like being able to heal, like Jesus did, or speaking in tongues like the first apostles did. We call them gifts because God doesn’t force anything on us, it’s up to us whether we accept those gifts.

Look up 1 Cor 12: 7-11 and unscramble the words in brackets to find some of the gifts mentioned in the bible:

Jesus had told them to tell others about him and this is exactly what they were doing. That day 3000 people believed and were baptized.

*Draw a river with people being baptized in it.*

Ten days after Jesus had gone, the disciples were all together in a room, when suddenly there was a sound like a roaring wind. Then, what looked like tongues of fire appeared and settled on each of them.

*Draw the disciples (or just some of them) with flames on their heads*
Amazingly they started to speak in other languages. Then they left the room they were in and joined crowds of people outside who had come from other countries for the last day of the Festival of Weeks, celebrating the harvest.

Draw speech bubbles with random letters, or another language, to show that the disciples didn't understand what they were saying.

The disciples were speaking words that they themselves didn't understand, but people in the crowd heard their own languages being spoken. The disciples were telling them about Jesus and the things that had happened, although they didn't realise it.

They would have spoken about Jesus' death and resurrection. Draw a hill with a cross and an empty tomb.
